# Our Big Plan

All our services will have enough money for us to deliver safe care

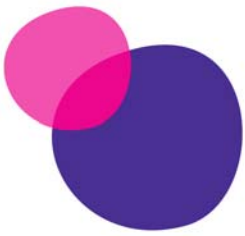

People we support are the experts in how they want to live

Our staff will deliver care and support in a way that meets the need of each person.

We will always work in a way that is good for the communities we work in.

# Who do we support ?

People on the Autism Spectrum

People who present challenges

People who have physical and sensory needs

Older People needing support

People needing help to live independently and access the community

# Where do we support people?

& The South East

- In their own home,
- Registered Care Homes
- Supported Housing

# The Government says we have to:

Improve the health of people with a learning disability

Have more people living in the community and get more support

Keep people out of hospital for long term care and treatment

Get more employment

Personalise more

## We Will...

Provide housing that is accessible

Work with children and young people with a learning disability

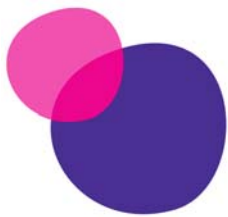

Provide support to family carers

Develop our skills in supporting people with the highest level of need

Offer more options for care and support that is flexible

## And We Will...

Use technology that helps people be more independent

Get more opportunities for jobs

And get more volunteers

Get more money through fundraising and grants

Ensure that people we support are at the heart of all decisions
